Municipal Financing: How To Serve and Protect From The Air... Affordably.

TODAY'S CHALLENGES IN CAPITAL ACQUISITION

Today's municipal finance managers are faced with a diverse array of challenges.

Across the nation public officials at the local, county and state levels of government are searching for new resources to expand tight operating budgets in order to meet the immediate and long-term needs of their communities.

Obtaining your mission-ready ISR aircraft with municipal tax-exempt financing, new or used, may be the cost effective opportunity for you.

Tax-Exempt Financing provides for payments to be spread over several budget years rather than an all at once cash purchase.

Tax-Exempt Financing can be used for the following:

- Aircraft, new or used
- Mission Support Equipment
- Hi Resolution IR & EO Cameras
- Moving Map Computers and Displays
- Microwave Downlink
- Secure Communications
- Mission Integration & Support
- Training

and more...
